The meeting will be conducted via a livestream Facebook broadcast and we plan to use the comments feature to answer questions and provide an exchange of ideas throughout the meeting.

At the Annual Congregational Meeting we will:

- Receive the Annual Reports.

Join us for a budget informational meeting Sunday November 22, 2019 following livestreamed worship service. Hard copies of the annual reports, the 2021 proposed budget and the proposed constitutional changes will be available in the lobby and inside the Blessings Box.

Thank you for your support of St. Mark's!
