

1) As mentioned in the teaching time, the apostle's creed was formed in the 300's of the common era or Annos Domine. If there were followers of Jesus since 30 CE/AD why did it take them so long to write down what they believed?

2) There are 3 creeds we profess to believe articulate our faith, the apostle's creed, the Nicene creed, and the Anthanasian creed. All 3 are attached as a separate document for this week. They all say the same thing in a different way. What is it?

3) Share in your OIKOS community why it might be important to know what it is that we believe. Outside of using the apostle's creed, what are some ways of sharing what we believe with each other? With the rest of the world? List them here.

4) Based on the readings for the week:

a) What does Psalm 8 tell us about who God is as Creator?

How are we involved in God's creation?

b) The reading from Acts 4 reminds us about Jesus' number 1 job. What is it?

c) How does the Holy Spirit show up in Acts? Why is this important?

Readings for this week:

- Psalm 8
- Acts 4:11-13
- Acts 2 (the whole)

5) Questions regarding the teaching or the readings? Please submit at least 1 question per person, attach their name to each question please. Remember, there are no stupid questions.

6) Practice saying the apostle's creed as an OIKOS community.
